# INTRODUCTION

The names, dates, and other information in this book were taken from cemetery tombstone inscriptions. Only in a very few cases were written cemetery records consulted, and it will be noted if the cemetery readings were cross referenced with any other written record.

All cemeteries were read beginning from the southeast corner and numbered south to north.

As in any project of this type, where many names and dates are copied, there is a chance of error. However all inscriptions were read and recorded with great care and to the very best ability of the recorder. They were typed with the same concern for accuracy.

The help of everyone who has been involved with this project has been greatly appreciated by the cemetery committee and the Henry County Genealogical Society. A lot of time and effort on the part of members, their friends, and spouses has made this book possible.

Courthouse records and various county history books were used as reference for information about townships and cemeteries.

The county and township maps were reproduced from maps obtained from the Henry County Board of Commissioners. The cemetery maps were copied for us by the employees in the Recorder's Office at the Henry County Courthouse.

These cemetery maps were done by The Works Project Administration (W.P.A.) and co-sponsored by the American Legion, Department of Ohio - State of Ohio in 1940.

According to the World Book Encyclopedia "The Works Progress Administration was founded in 1935 to provide work for needy persons on public-work projects."

# Pleasant Township

Pleasant Township is located in the extreme southwestern corner of Henry County bordering Putnam County to the south and Defiance County to the west. Prior to 1843 it was a part of Flatrock Township.

No written records of the early organization of Pleasant Township have been found. It is supposed that any such records have been destroyed or lost. In many cases early records were left in someone's home and neglectfully thrown away.

The towns of Holgate, New Bavaria, and Pleasant Bend lie within Pleasant Township.

Cemeteries in Pleasant Township are Groll, Emanuel's United Church of Christ, Sacred Heart Catholic, St. John's, St. Mary's Catholic, St. Peter's Lutheran, and two township cemeteries.

# Emanuel's United Church of Christ Cemetery

In the center of Emanuel's Cemetery the tallest monument is that of Karl and Catherine Hornung. In contrast to the close pattern of other burials, a space surrounds this stone. Mr. Hornung is the man who named the village of New Bavaria, platted the village, and served as its first postmaster for many years. He donated the land to the church for its cemetery, with the understanding that no taller monuments be erected.

For many years the rule was that burials took place in the order that death occurred, so that husband and wife often are located a distance apart. One story, perhaps slanderous, tells of a husband who looked forward to being eventually a distance from his wife's tongue. This arrangement eliminates the concept of a family plot, but makes an orderly appearing cemetery, with no unused spaces. The rule now is that space may be reserved for the spouses and homebound dependents.

No plots are sold in this cemetery; any member of the church is entitled to a free area, and no one else. The church maintains the cemetery as part of its ministry to its people, with an annual offering for lawn care. Recently a two-day volunteer work crew straightened many tipping headstones, and preserved many which had broken off by placing them in a ribbon of concrete.

Located in the older portion is the burial place of a family of five who died in a brief space of time vi th diphtheria. Their names are now forgotten.

Another stone worth remarking on is that in memory of Phillip and Louisa Hoffman. Their graves were long unmarked. In 1985 a descendant, the Rev. Carl Marich, brought this stone from his home in Florida and installed it.

This story of nearly one and a half centuries of Christian faith and filial devotion is written on these stones. Many of the families are still found in the life of Emanuel's United Church of Christ.

Submitted by Francis E. Turpin, Pastor Emanuel's United Church of Christ August 10, 1988
